REQUEST FOR RECONSIDERATION

Dear Sir:

Patentee respectfully requests reconsideration of the decision denying the Request for Certificate of Correction filed November 19, 2010.

The Certificate of Correction was sought to amend US Patent No. 7,241,486 to correct mistakes of a clerical or typographical error made by applicant's attorney when filling out the Issue Fee Transmittal Letter. Due to a typographical error on the part of the applicant's attorney when preparing the Issue Fee Transmittal Letter, the applicant's attorney incorrectly typed in Inion Ltd., Tampere (FI) as the assignee when in fact the application was not assigned. The owner of the application and issued patent is the applicant and inventor Eija Marjut Pirhonen. Accordingly, the assignee information on the front face of the patent should be deleted, namely

USSN 09/981,676, U.S. Patent No. 7,241,486

1

"Inion Ltd., Tampere (FI)" should be deleted, because there is no assignee of US Patent No. 7,241,486. As evidence of lack of an assignee in the Assignment Division's records, applicant is attaching a printout showing that assignment data is not available for US Patent No. 7,241,486.

Since the mistakes are of a typographical nature and have occurred in good faith on the part of the Patent holder, and because the corrections do not constitute new matter, a Certificate of Correction is proper. The required fee of \$100.00 was previously submitted. The Director is authorized to deduct any additional fees deemed necessary, from deposit account no. 19-0733.

Respectfully submitted,

Dated:

December 14, 2010
